Fitzroy Road, Fleet, GU51 4JW

The Property

This immaculately presented and substantial family home sits on a delightful half acre plot on one of the most sought-after roads in Fleet.

Starting on the ground floor, there is a large welcoming entrance hallway with skylight window allowing light to flood the area, tiled flooring, large storage cupboard, under stairs cupboard, cloakroom and doors to the majority of the living accommodation.

The largest of the three reception rooms (currently used as TV room) is double aspect and is located to the front of the property. There is wood flooring, bespoke concealed storage and a gas burner.

The remaining two reception rooms are to the rear of the property, both with panelled walls and French style doors opening onto the garden.

There is also a log burning stove in the room which is currently used as the sitting room.

The kitchen has been re-modelled by the current owner with a stunning and comprehensive range of blue units with central island integrated oven, microwave and hob. A utility room is off the kitchen with a door giving access to the side of the property.

There is an impressive conservatory off the kitchen with doors opening onto the garden. All three of these rooms have tiled flooring.

First Floor

On the first floor are the five bedrooms and the family shower room. Bedroom one has an extensive range of fitted wardrobes and an en-suite bathroom. Bedroom two has the benefit of an en-suite shower room. A fully boarded and insulated loft offers generous storage.

Outside

The property is approached via mobile SIM operated front gates with the driveway offering parking for multiple vehicles. There is also a double garage and an area of garden with a selection of trees and shrubs.

Lamp post lights add to the appeal of the property frontage.

The rear garden measures approximately 150 ft. in length and has been landscaped to an extremely high standard with a large patio extending the width of the property. There is an abundance of shaped beds planted with shrubs and plants as well as mature trees.

A particular feature of the property is the heated swimming pool with an air source heat pump and an automatic and insulated cover.
